Subject: Questions re: Urban Renewal Board and Plan

Hi Sandra,

I'm the staff liaison to the Planning Commission neighborhood planning subcommittee. We recently heard at one of our meetings that there were concerns from neighborhoods around the East 11th and 12th St. corridors about possible changes to the Urban Renewal Plan and NCCDs that regulate the corridors. I've been asked by the Planning Commissioners to contact you and see if:

- 1) We could set up a joint meeting with the UR Board and the PC neighborhood plan subcommittee to discuss how any amendments to the URP and NCCD can/should be handled by the UR Board and PC. This could be a joint meeting or members from the UR Board could attend a subcommittee meeting, or vice versa.
- 2) It would be possible for staff from the UR Board to present to the subcommittee on what the differences are between the UR Plan and the NCCD, and how they relate/differ from each other.

Let me know what you think, and please don't hesitate to give me a call if you think that'd be easier.

Thanks!

Greg
